PLEASE PRAY FOR OUR COUNTRY THE UNITED STATES OF AMERICA: If any of you have been following the news lately, you will hear all sorts of negative comments about our President and our Great Country. This is a sad commentary on the nastiness of people. Constructive Criticism is not a bad thing, but out and out vindictiveness and nastiness is not something we need to be proud of. Let us all be diligent and pray for our country, for unity and a sharing of love among all our citizens. We are all God's children and we need to love one another, forgive one another, and be protectors of the freedoms we all share !

SUMMER MONTHS: The Warm weather is upon us – Be smart, wear sunscreen, and limit your exposure to the sun! Take time to check on seniors or those in your neighborhood who may be needing aid or help.
