Watching Divine Liturgy on the Internet:

Here are practical tips to get the most out of the live-streamed Liturgy:

- Before 9 AM., place your device (phone, television, computer, tablet) on or near your icon corner; OR, surround your device with one or more icons.
- Turn off all possible distractions (phone, notifications, oven, alarms, etc.)
- Like you do before church, take care of all personal needs beforehand.
- Dress like you would for a regular Sunday Liturgy. (Casual clothes may encourage a casual, non-prayerful attitude.)
- Follow your regular pattern for maintaining the Eucharistic fast, refraining from food, coffee, etc. until after the Liturgy.
- Follow along in the prayer book. If you need a copy, please contact Father.
- Follow along during the services, and sing/speak along with us, in whatever way you normally would do during the Liturgy.
- As you are able, stand, sit, and kneel as you normally would do during the service.
- Finally, resist the urge to offer any comments online until after the Liturgy is over.

In short, I encourage you to make these few hours a time of sincere devotion and worship.
