**The Church needs you (Still)!** Thank you to everyone who has been generously making donations to the church's building fund. We raised enough money to start the work on the pavilion roof. The contract for \$10,700 was signed this week and work will be starting shortly. This means that we have once again depleted our funds. We need to fix the fences around the center, and the wall along the upper parking lot is collapsing. Please continue giving generously to help keep this church operating.
